**F**or many alumni, Reunion is a family event. Cornell offers the *Kids Club* for children ages 6-15 on Friday and Saturday of Reunion weekend from 3-11 p.m.

The *Kids Club* provides adult supervision, dinner, academic programs, and recreational activities. Activities are designed to be age appropriate, with a separate schedule for each age group. See the *sample* schedule on the next page.

Equipped with a gymnasium, pool, bowling lanes, classroom, and playing fields, Helen Newman Hall is the *Kids Club* headquarters. Children begin their *Kids Club* experience when they arrive at the HNH gymnasium with their parents between 3 p.m. and 4 p.m. Children are introduced to a group of similarly-aged peers led by a counselor. Parents are then free to enjoy their evening as they please while their children partake in the *Kids Club* activities!

The cost of the 2017 *Kids Club* is \$70 per child, per day or \$130 per child registered for both days. Parents may register children for one or two days. Register your child at [alumni.cornell.edu/reunion](http://alumni.cornell.edu/reunion). Upon receipt of payment, we will send you a confirmation for *Kids Club* registration with additional information to ensure your child's enjoyment. Requests for refunds must be made directly to Alumni Affairs by May 25.
